# MCT Resources & Benefits

## Tools & Resources

### MCT Software & Services

MCTs are given access to Microsoft technologies to help them deliver training and expand their technical expertise. This benefit can be used to support development of demo environments needed for instruction. Active MCTs can claim this benefit at <https://my.visualstudio.com/>. **Please note that this benefit is for MCT Technical Trainer only.**

### Microsoft Labs

MCTs can access [Microsoft Labs](#) to practice the lab experiences integrated into course content. This lab environment is intended to support trainer readiness as an MCT prepares to deliver a course with lab components.

### Learning Download Center

The [Learning Download Center](#) provides access to all MOC training resources, including PowerPoint decks and Trainer Prep Guides.

**Q&A**

# Summary

A lot of benefits are available in the MCT site

Not all benefits are directly from Microsoft-  
MCT is a well known and respected title

One of the biggest benefits is the community
